***Middle/High***

Resource services are available in place of an elective through the Middle/High Learning Lab for both academic accommodations and curriculum support. An above-tuition fee of \$160/month will apply.

**Consultative Services.....\$60 monthly**

Consultative services through Student Support include the development of a service plan to document a student’s current level of academic and/or speech-language performance and considerations and/or accommodations that are necessary to ensure academic success. Students will be assigned to one of the Support Service personnel who will manage their file, conduct regular classroom observations, and consult with the classroom teacher, support staff, and any outside sources to ensure that their individual academic needs are being met.

<b>Screenings.....</b>	<b>\$30</b>
A brief assessment of a student’s speech-language abilities.	
<b>Evaluations.....</b>	<b>\$150—\$300</b>
A comprehensive assessment of a student’s academic, language, and/or speech skills to determine a current level of functioning. The assessment fee includes a written evaluation report with service recommendations and parent consultation.	

NOTE: SB10 scholarship monies received from the state of Georgia can only be used for tuition and Student Support fees. This money cannot be used for uniforms, lunches, athletic fees, etc.
