

Fees for Services—2019-2020 School Year

Learning Lab-Resource services:

Elementary

Should a student require collaborative or resource services through the Elementary Learning Lab, the following above-tuition fees will apply:

30-minutes per week, individual.....	\$120.00 monthly
60-minutes per week, individual.....	\$200.00 monthly
90-minutes per week, individual.....	\$280.00 monthly
30-minutes per week, group.....	\$90.00 monthly
60-minutes per week, group.....	\$160.00 monthly
90-minutes per week, group.....	\$230.00 monthly

Middle/High

Resource services are available through the Middle/High Learning Lab for both academic accommodations and curriculum support. An above-tuition fee of \$175/month will apply.

Consultative Services

Consultative services are offered for academic and speech-language support and include the development of a service plan to document a student’s current level of performance and any considerations/accommodations that are necessary to ensure school success. Students will be assigned to a Support Service staff member who will manage their file and maintain regular communication with the classroom teacher(s) and any outside professionals to ensure that their individual academic needs are being met. An above-tuition fee of \$60 monthly will apply.

Speech-Language Services

Screenings.....\$30

A brief assessment of a student’s speech-language abilities.

Evaluations.....\$150—\$400

A comprehensive assessment of a student’s language, and/or speech skills to determine a current level of functioning. The assessment fee includes a written evaluation report with service recommendations and parent consultation.

Therapy

Speech-language therapy fees for Early Education, Elementary, and Middle/High students follow the same fee schedule as those of Elementary Learning Lab (above).

NOTE: SB10 scholarship monies received from the state of Georgia can only be used for tuition and Student Support fees. This money cannot be used for uniforms, lunches, athletic fees, etc.
