Financial Assistance

Each year, the Financial Assistance Committee of CCS allocates a limited amount of budgetary funds to assist qualifying families. To qualify for assistance, students must maintain a clean academic record and be in good behavioral standing with the principal's office. In order to determine financial eligibility, the family must apply with FACTS Tuition Management, which evaluates applications and makes recommendations back to the committee as to qualification. Recommendations from FACTS are evaluated without regard to race, age, or sex of the applicant family. Typical financial assistance averages between \$250 - \$750 per student per school year. Applications for assistance will be accepted beginning February 1, 2021. There is a \$35 fee to apply, payable to FACTS. Interested families should apply through <https://online.factsmgt.com>. Assistance is limited and financial assistance packages may not be combined. Applications should be submitted by February 28, 2021.
