Community Christian School Earns a Place on College Board's AP School Honor Roll for 2022-23

Stockbridge, GA – October 17, 2023– Community Christian School is thrilled to announce that it has been recognized as a Silver member of the College Board's AP School Honor Roll for the 2022-23 school year. This prestigious honor is a testament to the school's commitment to providing exceptional educational opportunities for its students and supporting them on their path to college success.

The College Board's AP School Honor Roll is a distinguished accolade that acknowledges schools that have demonstrated outstanding efforts in welcoming more students into Advanced Placement (AP) courses and guiding them toward academic excellence and college readiness. Research has consistently shown that students who participate in AP courses and exams are more likely to attend college and graduate on time. The benefits of this rigorous coursework extend beyond earning college credit; they also provide students with early exposure to college-level work, building confidence and fostering a college-going culture within the school.

Community Christian School has demonstrated remarkable achievement on multiple fronts:

- 1. 65% of Seniors Taking AP Exams:** Nearly two-thirds of our seniors have taken at least one AP exam during their high school years, showcasing the commitment of both students and educators to academic excellence.
- 2. 47% of Seniors Scoring a Three or Higher:** Nearly half of our seniors have achieved a score of three or higher on at least one AP exam, demonstrating their dedication and preparedness for the challenges of college-level coursework.
- 3. 22% of Seniors Taking Five or More AP Exams:** An impressive 22% of our seniors have undertaken the rigorous challenge of five or more AP exams, highlighting their determination to excel academically.
