Matt Isenberg |May, 2024| Head Of School Letters

May 1, 2024

Dear CCS Families,

Happy MAY at CCS!

It is, in fact, May - and May in a school year calendar nonetheless. We all know that as we close out this school year in the weeks ahead our students, families, and staff will be engaged in a wide array of activities. From testing and exams to field trips and field days. Graduations spanning from Pre-K, Kindergarten (May 10) to Seniors (May 17). And, this week, TEACHER APPRECIATION WEEK! I am sure that you would agree with me that CCS is blessed to have talented, hard-working, and “all-in” teachers.

I have mentioned the end of the year as being like the last twists and turns of a rollercoaster. In the next few weeks, as we see the finish and get ready to disembark, I encourage each of us to be present in these moments and enjoy the ride!

Happy Teacher Appreciation Week!

As I mentioned above, we are truly blessed to have the faculty and staff we have here at CCS. In this moment I want to thank each of them for their hard work and dedication to growing our students according to the mission of our school. I also want, in this moment, to thank our school community for its support of our school. In the truest sense, we are a “team of teams” here, working together for kids. Thanks!

Our Coca-Cola Fundraiser is Reaching its End

As you may know, our Coca-Cola fundraiser is wrapping up this week. We are at just over halfway to our goal. What better “win-win” opportunity can there be than stocking up on those favorite thirst quenchers for graduation parties, cookouts, etc.? Please consider participating, and please consider sharing this opportunity with family and friends!

Last Coffee and Conversation Event for This Year

Hard to believe, but we will be having our 4th Coffee and Conversation event next Thursday, May 9. Like previous events, we will have one at 8:00 AM and one at 6:00 PM. Our last C&C will focus on a review of this year and a preview of the next from Dr. Isenberg. It will also be an additional opportunity to meet the incoming middle and high principal, Gabe Cerie, and the incoming director of student life, Trisha Bradley. Hope to see you there!

Want to Partner With CCS?

Do you own a business or know of a business that would like to partner with CCS? We are currently re-enrolling as well as signing on with new members of our business partners in education. If you are interested in supporting our programs and getting some visibility for your business as well, please contact our Director of Development, Ciji Phillips, at ciji.phillips@communitychristianschool.net and we will send you the information you need.

Sincerely, and with prayers for a great month,

Sincerely,

Dr. Matt Isenberg

Head of Schools
